1 Unladen vehicle weight includes driver (75kg) and fuel tank 90% full, calculated in accordance with the current version of Directive 92/21/EEC. Optional equipment may increase the car’s unladen weight and drag coefficient, whereupon the possible payload limit and/or the top speed will be reduced accordingly.

2 Audi driver assistance systems work only within system limits and are intended to assist the driver. The driver remains responsible for driving the vehicle and is required to remain attentive at all times.

3 Certain sections of the leather appointed seat upholstery contain man made material.

4 Audi connect allows access to selected Google services. Audi Australia cannot guarantee permanent availability and/or service longevity of Audi connect services provided by or via a third party.

5 Please check with your Audi dealer for approved telephones that have been tested by Audi for compatibility.

6 Digital radio reception coverage dependent on vehicle location.

7 MMI navigation functional features may differ or not be available for the Australian market. Please refer to your Audi dealer for up-to-date information.

8 SUNA™ live traffic update service is only available in selected metropolitan areas. It operates from information provided by Intelmatics Australia Pty. Ltd. and may not cover all road incidents and/or congestion. Refer to www.sunattraffic.com.au for details.
